Outer Marker, Port Columbus.

2. Location

2.1 Located at 1954 W. Campus Loop Road. (Arbitrarily assigned for indexing purposes). See map below.

2.2 For greater detail, see Sheet 79 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

3. General Description

3.1 Type of construction:

Appears to be painted stucco or painted concrete.

3.2 No. of stories:

One.

3.3 Increments of construction:

No additions.

3.4 Size of building: appears to be about 6' x 8'.

B. PLANNING & CONSTRUCTION

This building was erected by the Federal Aviation Administration on a site leased from the University. The lease, which was approved by the Board of Trustees on September 5, 1975, was effective July 1, 1975 and is renewable through September 30, 1990.

Date of construction is not known with certainty, but the FAA office at Port Columbus reports that the facility was commissioned (put into use) on July 1, 1976.
